

10/809,573

REMARKS

Reconsideration of the application in view of the present amendment is respectfully requested.

The specification is amended to update information relating to the parent application.

Claims 11-14 are pending.

Claims 11-14 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-8 of U.S. Patent No. 6,739,503.

The Office Action states that claims 11-14 would be allowable upon filing of a terminal disclaimer. Enclosed herewith is a terminal disclaimer.

In view of the foregoing, it is submitted that the application is in condition for allowance, and allowance of the application is respectfully requested.

Respectfully submitted,

Michael Chan
